

We are coming to the end of what has been an incredibly busy term. I know our students and staff are extremely tired and ready for a well-earned break. Reports will go home on Friday this week and are addressed to parents and caregivers. We encourage you to open these with your children and share the content.

On Thursday, 26 July we will hold parent / teacher report conferences. Information regarding booking these will be emailed out and will also be enclosed with student reports. If you have questions relating to reports, please contact your child's teacher in the first instance. Email addresses can be found on the School website. Please note; interviews are only for parents or teachers who have concerns about a student's progress.

A group of our students have been working with Miss Milligan (NIS) and Mr Allen (Northcote College) and have formed The Northcote Intermediate Brass Band. The group performed for us last week and they sounded great. I was very impressed with how polished they were after only a couple of months practise. We also have a number of students, parents and teachers working together on preparation for the Rock Quest later in the year. I look forward to hearing your progress.

Last week we had 37 students, three teachers and three parents attend our first Sports Camp of the year in Matamata. Our students represented the school with pride, respect and enthusiasm. I would like to thank the team of people who helped support our students. We competed against much larger schools and came home with 8 of the 40 trophies up for grabs. We are looking forward to our second team representing our School in Term 3.

I have enjoyed getting out to a number of sports in the past week. It is great to see so many of our teams doing so well in local competitions and punching above their weight against larger schools. Many of our students have been selected for representative honours. Please feel free to email through student success with us so we can share in our newsletter or Facebook page.

## Rotary Northcote

**OUR STORY**

Our Club has been established in Northcote for 52 years. During this time we have conducted many projects big and small. Some of the highlights have been:

- Initiated a campaign to raise funds for the first Life Support Ambulance in New Zealand,
- Planted Native trees in a then wasteland in Lake Road,
- Arranged purchase of a new Minibus for De Paul House.

Over the 52 years we have raised more than \$1M and applied this to various charitable needs. We have a special emphasis in helping the children and youth.

In recent years, our major fund raiser has been the Book Fair held at Northcote College. This is now one of the largest in Auckland.
