

Northcote Intermediate School – Annual Plan 2020

Partnership with the Community: Communication/Collaboration/Consultation

Maintain and develop meaningful links and partnerships with the community: Continue liaison and collaboration with contributing schools and Northcote College. Consult with community on key issues and feedback to them. Establish relationships with partner organisations who can support our future focus. Consult and work with Maori and Pasifika communities to develop our cultural responsiveness, achievement and success

Marketing/Promoting the School:

Continue to promote NIS as the FIRST choice Intermediate for the Local Community: Maintain number of students coming from local contributing schools. Focus on improving collaboration with feeder schools and Kahui Ako schools. Plan enrolment activities and keep local schools and community well informed of upcoming events. Maintain website- ensure that it is updated regularly.

School Culture:

Continue to build a culture of compassion, positivity and high expectations

Our mission: Together, we equip aakonga with the knowledge, FIRST skills, attitudes and values to be connected, empowered learners
